REGISTRATION

The WGGB Weaving School, operated through the Catonsville Recreation and Parks Department, has moved to a new registration process.

All Rec and Parks programs now use online registration.

To register for weaving classes, please go to: **http://catonsvillerecnews.com/2016/08/21/weaving-classes/**

Click the **Register** button. That will take you to the main registration page. Scroll down to the bottom of the page and select **Adult** for Program Type and **370 Weaving** for Sport/Program and click the **Register Online** button.

Enter your identifying information and click **Verify Information**. Click **Continue to Online Registration** if you haven't registered online before.

This will take you to a page where you can enter your contact information and choose your classes.

It may seem a bit clunky at first, but it will significantly simplify the process of collecting fees and disseminating registration information to your instructors and to Rec and Parks.
