

WGGB Rental Agreement

Guild equipment is available for rent to all individuals who have been members of the WGGB for a minimum of 3 months. (There is an exception to this if you have completed a beginning weaving class before the 3 months membership requirement is up.) There is a limit of 1 loom or spinning wheel per member per rental period. Renters must fill out and sign this rental agreement. The rental period is for 3 months. If no other subsequent request has been made for that piece of equipment the rental may be extended on a monthly basis for no more than 3 more months. After the rental period, the equipment must be returned no later than 15 days past the final due date. Payment must be made at the time of initial rental and/or renewal.

A one-time security deposit is also required. The security deposit will be returned to the borrower when all equipment is returned in good condition. The renter agrees to pay for the replacement or repair of any lost or damaged equipment.

A member who is demonstrating gratis in the name of the WGGB may borrow a Guild equipment at no cost to the demonstrator. This loan is for the duration of the demonstration only.

All equipment must be picked up from and returned to the Guild storage unit. Arrangement must be made in advance with the Equipment Chair or one of the committee members.

If desired equipment is not available, it may be reserved ahead.

I agree to the terms and conditions of this rental agreement.

Please sign and print, preferably double-sided.
